get that decision made tonight if we can get enough together. So adopt my amendment to the Warner amendment then the bill won't be delayed beyond tomorrow. That will give us the opportunity to get a few of us together and see if we can hash this thing about a vote of the people. That is the only way that we can solve the problem of the Lincoln-Omaha area and get the bill passed in the first place. I would suggest that you vote for my amendment which amends the Warner amendment and just delays it until tomorrow and we will get this thing ironed out tonight.

SPEAKER: No further discussion? Senator Goodrich has closed. The question is, shall the Goodrich amendment, shall the Warner amendment by the Goodrich amendment? Should the Goodrich amendment be adopted. I'm sorry, this is the proper amendment.

CLERK: Amend the Warner amendment to bracket until May 14th.

SPEAKER: Have you all voted? Clerk will record.

CLERK: 26 ayes, 15 nays.

SPEAKER: Question now is shall the Warner amendment be adopted as amended by the Goodrich amendment. Senator Lewis.

SENATOR LEWIS: Now Mr. Chairman, I would ask that we defeat the motion and we can dispose of the bill today.

SPEAKER: Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, I question the unanimous consent to withdraw the motion.

SPEAKER: Any objections to the withdrawal of the Warner motion?

SENATOR WARNER: My second request Mr. President is to request a machine vote to advance it.

SPEAKER: Are you objecting Senator Kremer? Seeing no objections.

CLERK: There are no further amendments on the bill Mr. President.

SPEAKER: Motion has been made that LB344 has been advanced to E & R for Engrossment. Have you all voted? Clerk will record.

SPEAKER: LB 611.

CLERK: Mr. President, LB611 has been considered. The E & R amendments have been adopted. There is a Warner amendment pending which would strike section 7 and 8. This was considered on May 9th and has been pending since that time.
